BEDFORDSHIRE ARCHIVES - BEHIND THE SCENES

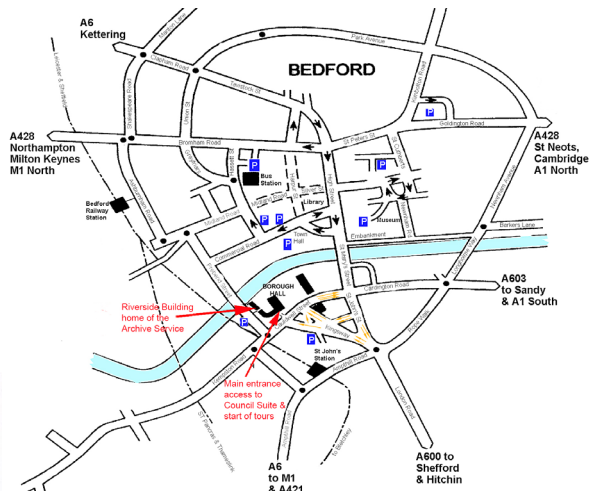

Thursday 7th and Saturday 9th September

Tours will last approximately 50 minutes and set off every half hour between 10am-12pm & 2-4pm, from Borough Hall.

Discover how we take care of the documentary heritage of the county including a demonstration of archive conservation. Find out more about the archives we have and how we make them available for you to use.

Tours will be led by our staff from an exhibition in the main building of Borough Hall, Cauldwell Street, Bedford. This gives you the opportunity to hear about the design of our lovely 1960s building before you enter the inner sanctum of the archive stores.

Involves some walking; the storage area is only accessible by stairs.

Tours can be booked in advance by emailing archive@bedford.gov.uk or telephoning 01234 228833
