

Parish Councillor Vacancy Spires Ward Update

The Parish Council have become aware of an update they wished to pass on to residents regarding this vacancy. Following the advertisement of the Parish Councillor vacancy, a number of electors had written to the Borough Council formally requesting that an election be held to determine the filling of the current Parish Councillor vacancy. Notices were displayed giving dates by which nominations needed to be received. No individual(s) came forward so there will be no election. **As no one stood for election the process of a further request for residents to stand for election will take place. Therefore, the filling of this Parish Council vacancy can only be done by someone coming forward to stand for election. This process will repeat indefinitely, until an individual stands for election during the specified period.**

If you would like to find out more or discuss this then please feel free to contact Lizzie, the Clerk on 771702.
