Next Meeting is on 1st Feb 2018 at the village hall at 7.30pm. The meeting arrangements are; a Craft Show and Tell with some members are doing a short 'show and tell' to demo the many and varied the village talents, and inspire others. This is also the WI Birthday Month and we will be celebrating 95 years of being involved in Renhold Life.

Our January speaker on Aromatherapy was Mrs. Maggie Lines.

Mrs. Maggie Lines started by saying she was known by three names, Maggie, Cameron and Kim in different situations, she then went on to talk about her long experience in Aromatherapy and work with clients. She was not selling products. We went through a group of faces that depicted a state of mind, health and wellbeing with the standard response from the client that they were 'Fine' but Maggie suggested 'Fine' often meant 'Freaked out, Insecure, Neurotic and Emotional '! This was a humorous look at the work of a therapist and was interspersed with jokes and poems relating to her work. We then did a quick facial workout and stretch to some familiar music and scared a few passers-by through the window. We all looked radiant and smiley at the end followed by a facial recognition quiz and a few jokes. Maggie warned of the serious side to aromatherapy and the dangers of using essential oils in their undiluted form. Many members enjoyed this talk on a cold January afternoon.

Diane Hill gave a Vote of Thanks.

Refreshments and Social followed with Christmas cake and biscuits by Pat Lindsay and a raffle were held.

Date of next meeting 7.30pm Thursday 1st Feb 2018 Renhold Village Hall. Visitors always welcome
