Mr. Duncan Willox a local Solicitor, then gave a humorous and entertaining talk about his life as a solicitor and his history dealing with criminal law and custody cases, then specializing in family law and custody and divorce and settlement cases. He was a serious and considered speaker then broke into the lighter side of life with his 'Pam Airs type' verse and funny anecdotes. We were all taken aback when he donned a ladies wig and had his arms flailing about whilst reciting a funny verse about losing his teeth in the sea. A very entertaining and pleasant evening.
Renhold WI Bags are now for sale.
