

Dear Resident,

Local Plan 2035 and potential development implications for Renhold

The Parish Council would like to firstly thank all the all you attended the information sessions at the Village Hall on Thursday and Saturday. The Parish Council have collated a booklet of useful information for residents which it is hoped helps understand the implications, the consultation process and how to respond. Please remember that individual responses have more weight than a collective response, so **please send in one per person rather than one per household**. The booklet does give some thoughts on items that residents may wish to raise, please feel free to add your own additional comments and thoughts when you respond. Attached is the booklet produced by the Parish Council and remember do not hesitate to contact the Clerk, Lizzie on 771702, if you have any questions on any aspect of this process. Also attached is a copy of the consultation response form, you can use this or follow the link below to the Borough Council website which has direct access to the online response form.
